

CAR SHOW HIGHLIGHT GALLERY (1 of 2)

Great weather and an even greater turnout for the 2025 Council 12696 Car Show held at Corpus Christi on Saturday, November 8. Above left shows a line-up of vintage cars and trucks while above right shows a newer sportier entry. Below, the judges had their work cut out for them as there were a number of awesome sports cars of different years, models, and colors. In addition to dozens of car entries, there were categories for trucks and motorcycles. Owners definitely showed their pride as each was polished to the max. Attendees not only awaited judging results later in the day, but had the opportunity to take home some raffle winnings (about to be announced lower right) by the Master of Ceremonies, Ed Alexander.
